To whomsoever it may concern,

Subject – Letter of Endorsement for Jay Rank.

It is with great pleasure that I write this letter of endorsement for **Jay Rank**.

AIESEC is the world's largest youth-run organization, with a worldwide member base of 126 countries and spread across 2100 universities. Since its foundations in 1948, AIESEC has been organizing student exchanges between countries of its network, during which students from one country work in a foreign country to enhance their Leadership Qualities.

This letter is to certify that **Jay**, was a full member of AIESEC's Local Chapter in Ahmedabad for 6 months. Throughout his tenure at AIESEC in Ahmedabad, he worked for Entrepreneurial sector. He served as Coordinator for a Entrepreneurial project which dealt with 12 International volunteers working for different areas at Innovation & Incubation Centre, Gandhinagar. He successfully completed his role with hard work and dedication.

He was one of the most active and energetic people to have around who will always keep the team super motivated throughout the thick and thins of the term. He is a responsible person who is always willing to take any task given to him and is solution oriented enough to get things done as and when required. In short, he is someone who could be relied upon freely without any concerns.

In all my years of experience, some people stand out for their great qualities and **Jay** is one of those people. He is well known for his intelligence, work ethic, positive attitude, teamwork mentality and enthusiasm. He is well respected throughout the team for being an amazing coordinator and a team person. Throughout the time I've known him, he has shown it time and again that he is a great Team Player.

Hence, with a lot of belief, excitement, and love, I Jay Bhandari, endorse **Jay** for his future endeavours.
